They will be 100 feet long, 32 feet beam and 8 feet deep, fitted with horizontal engines of 18 in. and 38 in. diameter with a 6 feet stroke. The boilers will be 13 feet in diameter, 23 feet long, and fitted with Fox's corrugated furnaces. Amongst the other work completed is a small screw propeller for export, two pearl shell schooners for Cebu, a small launch for export and a launch for the Company's own use. Five sets of engines and boilers of different sizes have been exported, and a small lighter for the Shell Line has just been completed. Two steel bridges have been constructed at the Cotton Mills, and the erection of the Hongkong Cantour and Macao Steamboat Co.'s pier has been commenced.

MESSRS FENWICK AND CO.

Messrs Fenwick and Co.'s engineering establishment at Wanchai has been very busy this year with constructive work. The construction has been commenced of two stern-wheel steamers for the West River syndicate, and it is expected that one of these vessels will be ready for service in the early spring and the other a few months later. They will be 100 feet long, 32 feet beam and 8 feet deep, fitted with horizontal engines of 18 in. and 38 in. diameter with a 6 feet stroke. The boilers will be 13 feet in diameter, 23 feet long, and fitted with Fox's corrugated furnaces. Amongst the other work completed is a small screw propeller for export, two pearl shell schooners for Cebu, a small launch for export and a launch for the Company's own use. Five sets of engines and boilers of different sizes have been exported, and a small lighter for the Shell Line has just been completed. Two steel bridges have been constructed at the Cotton Mills, and the erection of the Hongkong Cantour and Macao Steamboat Co.'s pier has been commenced.

SON OF AN OHIO MERCHANT CURVED OF CHRONIC DYSRHOEA. My son has been troubled for years with chronic diarrhoea. Some time ago I persuaded him to take some of Charlier's Colic, Cholera and Diarrhoea Balsam. After using two bottles of the 20 cent size he was cured. I give this testimonial, hoping some one similarly afflicted may read it and be benefited.—THOMAS C. ROBERTS, Cleves, O. For sale by All Dealers' Watkins & Co., General Agents.

NOTES BY THE WAY.

H.M.S. *Aurora* left yesterday afternoon for Manila to relieve H.M.S. *Unadventured*. The dispatch vessel *Isola* has left for Bangkok to meet the Admiral.

Colonel Ian Hamilton has been recommended for the Victoria Cross for valour at the battle of Elundangto.

The total losses of Methuen's Division at the crossing of the Modder River was 72 killed and 339 wounded.

To-morrow we will publish Mr Charles Lovett's special article on General Sir G. Stewart White, the defender of Ladysmith.

Any one bothered by mosquito bites or prickly heat should try "Skovit," the remedy of Stephen's, the famous ink manufacturers.

Colonel J. H. Hughes, R. A. M. Corps, Principal Medical Officer, Quetta, died at Bagor, near Fort Sapulman, on the 21st Nov., of inflammation of the liver.

Captain Wingate, 14th Bengal Lancers, has sailed from Calcutta for Wei-hai-wei to take up his appointment as Second-in-command of the 1st Chinese Regiment.

M. Tilmont, his friends will be sorry to learn, is suffering from a carbuncle on the spine! This is a specimen of the local news served up to the readers of Bangkok newspapers.

A Shanghai journal says:—Orders have been issued by the China Navigation Company for the replacing of the blue ribbon round their vessels by the white one, the period of mourning for Mr John Swire having expired.

Notification is given that at the performances of *Les Cloches de Corneville* at Shanghai no encore will be accepted. The performance promises to be the finest amateur performance ever given in Shanghai.

The Shropshire Light Infantry, which regiment was in Hongkong in 1895, has been showing up in hockey since they went to India. In the semi-final of the Poon Hockey Tournament, they defeated the Poona Volunteers, but were beaten in the final, by 3 goals to nil, by the 14th Bombay Infantry.

The Rev. A. A. Bennett has been presented by the Emperor of Japan with a gold *sabu* cup as a souvenir of the services rendered by him on the occasion of the great tidal wave which swept along the north-eastern coast of Japan on June 15, 1895. He then contributed a sum of over £5,000 in aid of sufferers from the disaster.
